Shoreway Shopping Center – Chairman Kovach advised they have gone through with the changing of the parking pattern and they have striped it. Mr. Bring advised I have actually heard very, very good comments on it. Chairman Kovach advised I think there is some unhappiness that I have heard but I think that is just getting used to it and that is a little tricky being one way in front for the first time in all those years. I think everybody will get used to it and it kind of does make sense and I do kind of like it with the cars up in the front of that.
