OLD BUSINESS:

City zoning study – Chairman Jancura advised unfortunately there is not much we can do at the moment until we hear back from David as far as the statutes and the different zones and so forth that we talked about at our last meeting. Representative Huska asked we are about half done though aren't we? I think we went through about half of it that one night. Chairman Jancura advised we are done with the recommendations that we really concerned. There is a lot of ideas in there that they are picking up on, you know that is a good idea but it wasn't really a recommendation. We went through most of them, I think once David gets the districts redefined and so forth then we will be in a position to change the language to conform to that new districting and then have a full and complete thing that we can submit to Council along with our proposed new districts. Mr. McClelland advised of spelling of bird in last meeting.
