FINANCE DIRECTOR'S REPORT: Finance Director Smith advised real easy tonight, we pay a leads fee to LEADS to get reports and if we were paid to date which I am happy to say that we are on all our bill – we got 3 months off this year because gave us like a little paid vacation of 3 months. Larry needed some funds to finish up in getting LEADS for the police cruisers and computers and some other things. I so suggested that we take the LEADS money that we aren't going to pay to LEADS and put it in equipment and repair. Then their donation expense which was their Walmart grant, I actually put that the 899 line this year. The police actually have their own little donation line down there, so we don't need it up here so I added that to it to put \$3,777.00 into equipment and repair to be used for upgrading the cruiser laptops and getting all that into gear. Also I needed to appropriate \$2000.00 in 899, that is the fund that I was telling you about for money that was given us from VFW and Amvets. They actually gave it a month or so ago and we have already spent the money but we spent money that I appropriated at the beginning of the year. So this is now that money put back into place because we will probably get more donations throughout the year. It is in anticipation of getting other donations but that fund 899 we don't use unless we get money in it. It is specific just for police donations; community policing/police donations. *Motion by Huska/Second by Bring to accept the report. Yeas All. *Motion by Rosso/Second by Huska to add the appropriations ordinance Council#030 to next week's council meeting. Yeas All.

Meters – Service Director Smith reported hopefully the old ones will be on govdeals.com shortly. Councilman Bring asked what do we still owe currently on the old meters? Finance Director Smith answered that is our note ordinance that I have asked you to have a special meeting on the May 31st and it is \$160,000.00. We pay off \$30,000.00 a year and I could easily get that for you real quick. Councilman Bring stated tomorrow.
