**ADMINISTRATIVE REPORTS**

**MAYOR/SAFETY:** Mayor Bring reported as a reminder; on Saturday, October 28, 2017 from 9 am to 3 pm in the Police Department sally port will be prescription medication drop-off. We always have pretty good participation on that. So, anyone that may have old medication or pills that they want to get rid of, this is the time to do it. Also, a reminder that Halloween is coming up Tuesday, October 31, 2017

*Council October 24, 2017*

from 6 pm to 7:30 pm. So, dress up and participate for the kids. He continued I was talking to Chief Campo the other day and we have probably an opening for a part-time Officer. Some of the part-time Officers that we have, one is collecting social security and the other is working part-time in Cleveland. So, they are not getting the hours in that they used to. So, we are probably going to be looking at bringing in one more part-time Officer. On a sad note, we did lose our Service Director that we had I his time with us – Lenny Smith. I would just like to thank him for everything that he did and I know that a lot of you were there. We have actually lost several people over the past week, so it has been a little heartbreaking this past few weeks. \*Motion by Erdei/Second by Kovach to accept the report. Yeas All./***SUPERINTENDENT'S REPORT:*** President Rosso asked when do they stop picking up yard waste? Superintendent Hastings answered November 30<sup>th</sup> is our contractual date and we started leaf pick-up Monday curb side. Councilman Erdei asked is our people still watching out for people that rake their leaves into the road and clog up our drains. I have noticed a couple and that is what keeps them clogged up. I mean I know you don't have extra patrols out just for that but it would be nice if you them in the front of their house that you would have somebody let them know that is not the right thing to do. Superintendent Hastings answered we have advertised our expectations which are consistent with every other city as well in regards to the roads and ditches./***FINANCE DIRECTORS REPORT: None.***/***LAW DIRECTORS REPORT:*** Law Director Graves advised just one piece of legislation, this is required for us to move forward the 301 repaving project. It is a resolution of cooperation and consent, it is pretty straight forward and Council should be aware of all the details of that project as the Superintendent has outlined previously. \*Motion by Kovach/Second by Gee to accept the report. Yeas All.

***CITIZENS COMMENTARY: None.***

***UNFINISHED BUSINESS: None.***

***NEW BUSINESS:*** Councilman Erdei asked have you heard anything from Goodwill for what is going on with that? Superintendent Hastings advised I have a meeting scheduled for the Mayor on Thursday. We were informed that their CEO resigned. So, there was a little delay and we have the contract ready for the Mayor's signature for the best and lowest bidder. So, all of that should be coming together within the week.

### **ORDINANCES AND RESOLUTIONS:**

Council#066 – EMERGENCY – a resolution of the City Council of the City of Sheffield Lake consenting to the LOR SR 301 repaving project including replacement of existing concrete, cubs and two catch basins and agreeing to cooperate with the Director of Transportation and the declaring of an emergency.
