**ADMINISTRATIVE REPORTS**

Council June 12, 2018

**MAYOR/SAFETY:** Mayor Bring advised on the property maintenance we have been sending out a lot of letters and the most challenging part of that is finding the proper owners of the property and doing a follow-up on that and Tom has been doing a real good job at that. A lot of it has been taken care of but we do have a gentleman that is mowing some of the properties. So, like I said the hardest thing is just trying to find these owners to either contact them which we want to do first before we cite anybody to give them opportunity to correct the problem. So, that is what he has been doing. Also, the beach with the debris, they rented a bulldozer the other day and they took care of that. So, the beach behind the Library right now is fairly nice over there. At Shell Cove Park, they continue to put the big armor stone down there, if you would like to go see any of that. With everything that is down there now, I don't think we are going to have any more erosion problems. We still have more things to do over there, the gentleman that is doing it is from Concrete & More and is still working over there. They will finish by doing a little grading. He continued, the Firemen had asked me about 6 months ago if they could get another dog for the Fire Department and they did get one and his name is Marshall after Fire Marshall. He is pretty laid back except he doesn't like squirrels. He ran away the other day and 3 Firemen were chasing him down Harris Road which was pretty comical. He is a wonderful dog and you are more than welcome to go over there with children because he is pretty neat. The guys are really enjoying it and it is kind of nice to have another dog over there. \*Motion by Erdei/Second by Cizl to accept the report. Yeas All.

**SUPERINTENDENT'S REPORT: None.**

**FINANCE DIRECTORS REPORT:** Finance Director Smith advised attached you will find my May 2018 report. Also, I am working on the 2019 tax budget and with any luck I am down to me in the department so one of my Clerks is out right now. I should have a preliminary report to you by Finance and if not, by the end of this month because I need it to be passed by the first meeting in July so I can get it to the county by July 20<sup>th</sup>. \*Motion by Kovach/Second by Gee to accept the report. Yeas All.

**LAW DIRECTORS REPORT: None.**

**CITIZENS COMMENTARY: None.**

**UNFINISHED BUSINESS: None.**

**NEW BUSINESS:** Councilperson Gee advised Monday, June 11, 2018 was our first day with the Children's Summer Craft Program and we had 58 in attendance at the Community Center. It was really a great day, all the kids had fun and yes, all of the adults also had fun. I understand that they will be doing a mural for this wall I believe and the kids are very excited about it. It has really been an exciting year already.
