Reports from Safety Forces:

Police Chief Campo – Police Chief Campo advised our two new officers are in training right now. Vasu finished all the upgrades in dispatch. They also replaced panic buttons in city hall. Those are monitored in the police department. Chairman Wtulich asks when we have other cities who respond, who all is involved in that? Mayor Bring replies we actually just had a fire on Edgewater and two trucks came from Avon Lake, one from the village, our truck and Lorain. That is typical, except for Lorain. Chairman Wtulich asks what about Avon, Mutual-aid? Is that an agreement, was there a time limit on that? Mayor Bring replies that is an agreement with all the cities. We do it with our rescue squads as well. We send out to Avon Lake and the village if they need it also. Our paramedics have been very busy and had a lot of calls recently. We still have not heard anything on the ambulance grant. As of last month, no one had been awarded anything yet, hopefully we are still in the running. We are going to have the girl scouts at the Civic Center for a CPR training class this month. We had a fireman who needed to go to the hospital after a recent fire, but he checked out fine. Not sure quite what happened there.
