**MAYOR REPORT/SUPERINTENDENT REPORT: None.**

**SUPERINTENDENT – PARK/RECREATION DIRECTOR REPORTS:**

Superintendent Hastings advised under items below.

**OLD BUSINESS:**

**Memorial Park:** Superintendent Hastings has no report.

**Freedom Park:** Superintendent Hastings reported we have contracted with Elyria fence to install the dog park fence in the spring. It will be a 5 ft. fence with bars on the top and bottom. It is zoned residential there which only allows a 4 ft. fence, but there is a little leniency because it is park property. That is scheduled for March. The entrance will have a foyer, if you will. You enter a gated area, close those gates and open another set of gates to get in. That will be concrete. The Mayor and I have been talking of potentially excavating in the spring, to allow for parking head on into the split rail fencing. Representative Kovach asks can we get some (inaudible) to pave or repave the walking trail that is over there? Superintendent Hastings replies yeah. I would have to get some quotes.

**Ferndale Park:** Superintendent Hastings reported the only activity here is the watershed initiative. We did have a parcel of land that the city owned between Ferndale Park and that ditch, we clear-cut that, and it will all be seeded. There is a substantial clearing between Sheffield Road to the Day ditch, which is perfectly in line with the nature trail.

**Gary Green Park:** Superintendent Hastings reported maintenance.

**Guenther Park:** Superintendent Hastings reported maintenance.

**Erie Shore Park:** Superintendent Hastings reported maintenance.

**Boat Launch:** Superintendent Hastings has no report.

**Shell Cove Park:** Superintendent Hastings reported I meet Wednesday with the engineers. We have to put together a submerged land lease and finish our permitting process on the armor stone.

**Lakewood Beach Park:** Superintendent Hastings reported

**West Shore Park–** Superintendent Hastings reported I did submit the first phase of funding for the Pier. That is an \$80,000 grant with a 50% match. This is probably going to be answered in May of 2020.

**Brookside Nature Trail & Covered Bridge:** Superintendent Hastings reported

**Lincoln Nature Trail:** Superintendent Hastings reports he has still not received an answer. We should have one by the end of the year. Regardless of funding, I think the city will make some efforts towards clearing that as well as some drainage. We are in the planning stages. The Christmas party at the Community Center was last Saturday and it went over well. There was good attendance. Most likely we will schedule it for the first Saturday of December next year as well.

**Pier behind Community Center –** Superintendent Hastings has no report.

**NEW BUSINESS: None.**

**CITIZENS COMMENTARY: None.**

**MEETING ADJOURNED:** With no further business before this committee,

\*Motion by Kovach/Second by Dailey to adjourn at 7:05 PM. Yeas All.

**CLERK OF COMMITTEE AFFIRMATION:** This meeting of the City Committee of the City of Sheffield Lake, Ohio was held and conducted under all Rules and Regulations Governing The Sunshine Laws of the State of Ohio as they may apply. All meetings are recorded and available in Council’s Offices.
