MAYOR/SERVICE DIRECTOR'S REPORT: Mayor Bring reports at Alameda, the road is in really bad shape. We are going to tear it up and redo it. The guys have been patching it, but it's bad. We had another good rain event and I think we have been doing a good job with no flooding. Leaf pickup has really been helping.

OLD BUSINESS:

Lincoln Blvd; nature trail from Oster to Lake Road proposal/wetland study- Mayor Bring reports if you go down Oster Rd. and look north, you can see them building the walkways over the water. Member Radeff asks when the trail is done and paved, is there going to be an officer or anyone that is going to check there for dirt bikes, etc.? Mayor Bring replies that will be patrolled because we have the same issues at the other trail. People can either call the police or me. We will have an atv out and that person will strictly look for that stuff. Member Kovach asks what about the K-9? Mayor Bring replies he had to go back because they found he had hip dysplasia. Chairman Wtulich states the path of the bridge behind Ferndale, it's like bent up, etc. Mayor Bring says I will check that out.

NEW BUSINESS: None.
