

Buildings, Lands, Vehicles and Equipment Committee
Sheffield Lake, Ohio
Sept. 6, 2022

This regular meeting of the Buildings, Lands, Vehicles and Equipment Committee was held Tuesday, Sept. 6, 2022. Chairman Wtulich called the meeting to order at 7:00 PM.

ROLL CALL OF MEMBERS:

Present: Wtulich, Cizl, Radeff, Mayor Bring, Law Director Graves, Service Director Hastings.

Excused: None.

Attending: None.

MINUTES: July 5, 2022 - *Motion by Cizl/Second by Radeff to approve the minutes with any corrections noted. Yeas All.

CORRESPONDENCE: None.

PRESENTATIONS: None.

OLD BUSINESS:

A) ***General Maintenance*** – Service Director Hastings reports the roof on city hall is scheduled and we hope to have that done later this month. The city had glass block installed on our old firehouse on Sunset and Lake Rd. The windows had been boarded for years and looked unsightly and was compromised. Our police dept. has been cleaning house in their downstairs in the hopes that over the winter months the service dept. can make some cosmetic improvements. I attempted to get info on our plow truck which is now in the second year of waiting. I am still unclear of when it will be sent to the outfitter. I checked on our street sweeper and it is also backordered with an expectation of early October.

B) ***Joyce E Hanks Civic Center*** – Service Director Hastings reports we are attempting to get the floors stripped, waxed and sealed.

C) ***Old Business-Other***- None.

D) ***NEW BUSINESS:*** Service Director Hastings states I received a phone call today from a gentleman asking if there was land available to build and operate his business. He did not go into much detail, just that he had looked at the village, but didn't see anything he liked. I will follow up tomorrow. Chairman Wtulich asks have you thought anymore about putting a bridge through the trail behind Ferndale, from Sheffield? Service Director Hastings replies my original plan was to discuss that with the director of the Metro Parks because they have quite a few bridges

throughout their system. Unfortunately, he hasn't responded with any meeting dates, and I would like his input. Chairman Wtulich asks have you discussed the property in the Metro Parks to the east of Idlewood? Service Director Hastings responds yes. A little off topic, but ditch maintenance would be helpful if we could access their property for trucks, etc.

E) CITIZENS COMMENTARY: None.

MEETING ADJOURNED: With no further business before this committee, *Motion by Cizl/Second by Radeff to adjourn at 7:06 PM. Yeas All.

CLERK OF COMMITTEE AFFIRMATION:
