OLD BUSINESS:

A) ***General Maintenance*** – Service Director Hastings reports the city hall roof is scheduled for this week finally. As far as vehicles, we are still waiting for the plow and the street sweeper is supposed to be here in October. I have to close that grant the first of December, so it's critical we get that. My office was contacted by a property owner on Maplewood in the 700 block. The city owns two 35ft. lots in the middle of a residential area and the adjacent property owner is interested in acquiring the property. I told him to draft a letter and if I receive it, I will share with the administration and council. Member Radeff asks for the street sweeper, that is also going to help with leaf pickup, correct? Service Director Hastings replies yes. Member Radeff asks so that will be two machines doing it? Service Director Hastings responds we have three leaf machines actually, so that would be a fourth asset.
