**FINANCE DIRECTOR’S REPORT:**

Finance Director Smith reports tonight I have some appropriation changes. One of our patrolmen is retiring and that was kind of sudden, so we need to appropriate for his exit. Workers’ compensation I think is going to be higher. A lot of these are just maintenance things for the end of the year. We are doing some website improvements, etc. Member Erdei asks do you foresee any future cuts coming? Finance Director Smith replies it really depends on the economy, I hope not. Chairman Cizl asks the last equipment and repairs was for the meters but what was the first one for? Finance Director Smith responds that is in the police dept. Those are funds that they charged East Ohio Gas, etc. and we got that money back so I reappropriated it to where they need it.
