OLD BUSINESS:

- A) ***General Maintenance*** – Mayor Radeff reports they should be completing the community center here shortly. The basement for the police is done. They have framed in the walls downstairs for the conference room and should be done in the next week or two as well. Member DeBottis asks who is doing the painting at the community center? Mayor Radeff replies it is contracted out and I think it is the same contractors who did the basement. Member DeBottis asks do you know what the cost of that is? Mayor Radeff not 100%, but I think it came to around \$4,000. Member Cizl asks what are they doing at the community center? Mayor Radeff replies they needed to fix all the holes, smooth the walls and paint.
- B) ***Joyce E Hanks Civic Center*** – See above.
- C) ***Old Business-Other***- None.
- D) ***NEW BUSINESS:*** Mayor Radeff states they are pretty far into the community gardens. They have started cutting and some of the wood is displayed. Member Cizl says I was asked what is the plan for the space across from the community center? Mayor Radeff replies we have a couple ideas. We are working on possibly a rec center over there. The plans aren't concrete, but it is something we are considering. Chairman Wtulich asks has anyone brought up at the community gardens about doing fruit trees? Mayor Radeff responds when I talked to Terri and Paul, they have had issues with people stealing/them getting eaten, etc. They said it's kind of difficult to do in the area.
